Dreamers Don't Sleep

Dreamshade

Many doors stand before me
but it's hard to choose the right one

I am the only one who can write this page
(Never stop to believe)
Try and fail is not a shame,
be ready to get up and start again!

Life gets cruel sometimes but I can still fight with a smile

Dreaming makes me feel alive
Falling in my thoughts I'll be revived
That's the way I will lead my life
Join me and leave your past behind

No time to weep 'cause there will be other falls
(Your only enemy could be you)
Dreamers don't sleep, we never stop
My future's there for me to choose

Life gets cruel sometimes but I can still fight with a smile

With my defects I stand
My dreams , my faith, complete me;
I couldn't do this on my own,
without them

Dreaming makes me feel alive
Falling in my thoughts I'll be revived
That's the way I will lead my life
Join me and leave your past behind

With my defects I stand
My dreams complete me;
I couldn't do this on my own,
without them
