

Shanghai Nights

Dreamshade

I'm lost in your greatness, don't want to be alone
You fill my emptiness, my fears have gone

One by one I feel my feelings grow for you
Is it love? I don't know but I hate to let you go
I feel a chill down my spine, so electrifying
Cold sweat! No breath!
Just want a moment with you again

Keep this love tight
As in my memories, you feed my mind
Keep this bond bright
As I wanted it to be, I'll let you in deep within

I want you to know
We'll never be divided even when I'm gone
Oh, don't you feel lonely
I know it's hard to say goodbye (to Shanghai Nights)

I've got a headache, it won't go away
I can't remember what I'm doing here today
Heavy heart that doesn't feel the same
Since I've caught the goddamn plane

Keep this love tight
As in my memories, you feed my mind
Keep this bond bright
As I wanted it to be, I'll let you in deep within

(I swear)

I want you to know
We'll never be divided even when I'm gone
Oh, don't you feel lonely
I know it's hard to say goodbye (to Shanghai Nights)

I want you to know
We'll never be divided even when I'm gone
Oh, don't you feel lonely
I know it's hard to say goodbye (to Shanghai Nights)
