

Conscious

dredg

Like brakes amended, shit intended
Comes all the world so I better check my eyes
Not okay, I delay
I don't give a fuck if it's the right or wrong way
Pop world fills society, turns society
Shit in life that makes your mind feel mighty
No tweaking, easy drinking, damn
Listen up, you sweat, I'll think

Conscious. Serious lies
Conscious. Serious lies
Conscious. Serious lies
Conscious. Serious lies

I have to walk alone amongst this shit, this shit that's spit
Now give it to me give
He was supposed to stay a little late
You're looking at my eyes you won't get there anyway
At the entwine, did you know I go blind
Say, yell it, you'll be just fine
Good, God another day, such like, no more, we'll just be sick

Conscious. Serious lies
Conscious. Serious lies
Conscious. Serious lies
Conscious. Serious lies

I see it through
No, actually I'm blind
I hear what you see
No, actually I'm deaf
I talk
No, actually I'm mute
I run from it
No, actually I'm paralyzed
But I feel, yes I feel, yes I feel, yes I feel

Lackadaisical, most instances
Listen to the rhymes will flow right from my shit
Until you watch it march right into your fuckin face
I can hear you now, black box hear me say
(Roars) to my eyes in me anyway
Another time I'll give it back round, round
Another time, what is that you say, more time for the pain

I wanted more than you had to offer
I want more, still

Living life is all, I see the burrow, mine
Living life is all, I see the burrow, much
Living life is all, I see the burrow, mine
Living life is all, I see the burrow, much
Living life is all, I see the burrow, mine
Living life is all, I see the burrow, much
Living life is all, I see the burrow, mine
Living life is all, I see the burrow, much

Conscious. Serious lies
Conscious. Serious lies
Conscious. Serious lies
Conscious. Serious lies
