

Ecstasy

Dreezy

Yeah
Cássio
Bongo By The Way

How 'bout later you come over to my spot?
Do anything you want me to, I might
Mm-hmm, mm-hmm
Mm-hmm, mm-hmm

Ain't tryna wait, I wanna get it on sight
Come put it on me, I'ma take it all night

Mm-hmm, mm-hmm
Mm-hmm, mm-hmm
Iso you up, I've been ready, ready
Make me look back, scream, "Zaddy, zaddy"
Yeah, yeah

You know I pop it like a semi (Semi)
Tell me how it feel when you in me (In me)

Mm-hmm, mm-hmm
Mm-hmm, mm-hmm

E-e-ecstasy (Yeah)
Bring your body to me (Yeah)
Play with all my emotions (Yeah)
Long as we gettin' closer

F-f-fastasy
Can we live in our dreams?
Come get what I got for ya
Get lost in my water

Yeah, yeah, yeah, yeah, yeah, can we play, no brakes, lights off, anything goes?
Yeah, yeah, yeah, fuck you like a stripper, baby, you can get it, get it, get it anytime you want
Yeah, yeah, I'ma dirty dance for ya lights off, candles lit, put the shadows on the wall
Eyes closed, yeah, can you blame me if I see what I see and I know what I want?

E-e-ecstasy
Bring your body to me (Bring your body to me)
Play with all my emotions
Long as we gettin' closer

F-f-fastasy
Can we live in our dreams?
Come get what I got for ya
Get lost in my water

Down to catch a body
You know a bitch about it
I saw you on the kitchen table
I do whatever you say, so

Tipsy, bottle-popping
Tell me how you like it
Soon as I'm around
I get in the mood
4 a.m, ain't get no sleep
Ding, ding, ding, got you so asleep

Yeah, down for whatever that you ain't did never
Last night in ecstasy, so close to Heaven
Turn the room to the jungle like, ooh, ooh, oohh, ah, ah, ah
Swear you was havin' a baby, you ooh, ooh, oohh, ah, ah, ah
Uh, girl, I don't get it
How when you naked, you're dressed to kill
Ain't hard to tell why, when I got inside, that shit 4th July

E-e-ecstasy
Bring your body to me (Bring your body to me)
Play with all my emotions
Long as we gettin' closer

F-f-fastasy
Can we live in our dreams?
Come get what I got for ya
Get lost in my water
