Fuck dat nigga, fuck dat nigga

He was sippin' so I dropped (pussy)
Got another nigga let him take me shop
Take me on trips and make deposits
But he can't do shit for me but give my head about my closet
Yeah, I keep my phone unlocked
If niggas wanna lock then that's they own damn fault
He trippin, I hang up and say the call just dropped
I ain't got time for none of that shit
But bought a cold wrist watch (ice, ice)
Fuck dat nigga, got a new one
He got a vette told me he a pussy connoisseur
Last time I met up with him, we spent 30 at the jewelers
See me ridin' on Rodeo, act like I ain't never knew 'em

Fuck dat nigga, fuck dat nigga
Fuck dat nigga, fuck dat nigga
You trippin', you too quick to fall in love with niggas
That's why I get this money and I never cuff a nigga

Took me shopping, I ain't even had to fuck dat nigga
Fuck dat nigga, fuck dat nigga

You bitches be saving the day, I hit 'em to see if he ate
He scraping you like it's a plate, but you still be calling him bae
You givin' that nigga yo pay? I put that shit right in the safe
Yeah, he wanna fuck with me 'cause I've got a ticket
Fuck that, gotta lick it
Get him down on one knee and make him trip like magicians
I can't let the nigga get me, young bitch, but I'm picky
Swervin' on him like Mike Vick, a nigga lucky if he hit me
Yeah, I just bought myself a chain
I got married to the money, so I bought myself a ring
I'm a brat, you know I'm spoiled
Wipe my back down with some oil
Treat my bitches like they royal, fuck that nigga, he ain't loyal

Fuck dat nigga, fuck dat nigga
Fuck dat nigga, fuck dat nigga
You trippin', you too quick to fall in love with niggas
That's why I get this money and I never cuff a nigga
