

No Love

Dreezy

What you want from me?
Gave you everything
Put my feelings in the bag
He gets no love, no love, no love
No love, no love
You gets no love from me

No love, no love
No love
(We got London On Da Track)
You get no love

All my niggas 'round me on top now, but we came up from the bottom
Ain't never gotta come ask for it, I already know that I got 'em
Bitch flaked, I remained solid, turned a quarter to a dollar
Dreez sip baby bottles like it's hollow
Bitches dissin', I got sis' whole body lit, but I gotta go a little harder
I count it up for a minute
Soon as bitches thinkin' they got it, I'm gassing the pedal
I done fell in love with a nigga, in love with a bitch, which I wasn't on sh
it when I met 'em (Crazy)
Remember the day they took in my homie, I hit up her pops, ain't know what t
o tell him (Damn)
And we killers and felons
Say you got water, gon' aim at your melon
Been a minute since commitment, it's hard to trust, yeah
We got dirt on each other, we from the mud, yeah
I tried my niggas like my blood, yeah, real bitches goin' up
Real niggas on go, ain't no goin' back broke

What you want from me?
I gave you everything I had and it took my soul from me
I put my feelings in the bag, he gets no love from me
No love, no love
Yeah, you gets no love from me

What you want from me?
I gave you everything I had and it took my soul from me
I put my feelings in the bag, you get no love from me
No love, no love, no love

They say more money more problems, I swear I got 'em
Lookin' at all these empty bottles, I got a problem
And I keep poppin' these pills, yeah, I'm the pill popper
And I keep gettin' into it with my bitch and fallin' out with my partners
Just got a text from my mama
She said her pipes done froze and bust, she need to borrow a few dollars (Uh
)
I've been on the road so much I swear I ain't seen my son or daughter
I stay in and out of the MoneyGram
I spent a lot on the JPay
They done put my partners under the jail
I'm tryna to make sure that they straight
Pop the Perc' like I got two fates
Would swear you actin' niggas too fake
Let my partner stay with me for two days and he stole from me

Niggas so funny
They say they down until you're down, then you a nobody
