Topped off the Teg and I can't even fit it  
I'm smoking on loud so I probably don't hear it  
Make-Making niggas say my name when he in it  
I married his Will but I'm not Jada Pinkett  
I'm counting -I'm counting-I'm counting up, Bitch

Finger lickin', you know I'ma eat I don't need no utensils

Rollie my wrist I can't fuck with no minute man  
OG diet body lookin' like cinnamon  
I'm the nigga and these niggas be feminine (niggas be bitches)  
I'm smokin' on G in the Tesla (Yes)  
Treat the world like its my bitch, bet not touch her  
Pretty little bitch, I might fuck around and bust ya  
Niggas know I get my coin like a usher  
Tool with the gang you ain't big enough  
We don't give a fuck if a bitch a feelin' us  
Kickin' that hoe out my section  
I ain't throwin' no bread if that bitch ain't thick enough  
Can't lay the pipe had to tell him just give it up  
Niggas they still wanna lick it up  
I don't care if I'm that brinks truck  
I'ma still hit my plug like nigga come fill it up (Gas)
