

They Not Ready

Dreezy

They not ready (Not ready)
They not, no
I do not think the... are ready
Dreez-Boy shit is massive already
Bentley parked right in the front you can't miss me (Can't)
Only cus I grabbed the bentley keys accidentally (Oops)
Not only did she run it up she ran it up quickly
I think it's time to put these wack bitches out they misery

B-I-G-D-R-E-E-Z
They been sleep, Nyquil Z-Z-Z (Woo)
Top down on sunset blow 8th see me in HD (Skirt)
Yal talk that small talk you small ball we major league (bitch I'm ballin')
Yea, they know not to play with me
Face on maybelline
But in the booth it end fatally
And my accountant just sent the okay to me
I give a fuck what you say to me
Ball hog we play for keeps
You got a group of yes men
Can't be the goat paying for sheep
I'm a legend throw me out my flowers like a newlywed (Uh huh)
Tried to keep it humble I like being bougie better
Fans waiting to see my show like we just dropped a movie trailer
Knew I was notorious when we was rockin' coogi sweaters
Drop at least a hunned Virgils when I walk in vuitton (A check)
Walk in magic with a blunt so long it look like a wand
I got so many presidents I can make joe biden resign
God took his time when he made me I'm a custom design (Perfect)

They not ready (Nah)
They not, no
I do not think the... are ready (They not)
Dreez-Boy shit is massive already (Big Dreez)
Bentley parked right in the front you can't miss me (Uh huh)
Only cus I grabbed the bentley keys accidentally (Skirt-Skirt)
Not only did she run it up she ran it up quickly (Run it up)
I think it's time to put these wack bitches out they misery (Out they misery
)

That's shots fired no glock-9 (It's my time)
Female rap I'm top five and I'm not five (Who want smoke)
Rappers ain't showing no numbers like a blocked line (Who the fuck)
Treat the game like it's my nigga that mean the top mine (it's mine nigga)
I'm a walkin' mood for a trendsetter
On hoes necks like bench pressin'
These bitches cap' like big letters (Big Who)
They... are ten or better
My shoe size only 39 but niggas know ima big steppa (I'm steppin' on shit)
Guess my lil' 5 seconds of fame gone last forever
Triple 'C', Cleavage, Confidence plus I'm clever (I'm clever)
Make it rain so hard rihanna can't even bring you an umbrella
Even if I gave the cheat code bitches wouldn't be on my level (Ha Ha Ha)

They not ready
They not, no
I do not think the... are ready

Dreez-Boy shit is massive already
Bentley parked right in the front you can't miss me
Only cus I grabbed the bentley keys accidentally
Not only did she run it up she ran it up quickly
I think it's time to put these wack bitches out they misery
