

Favourite Son

Drengé

I wanna be loved by your favourite son
Don't wanna be touched by a different one
I wanna be hugged and I wanna be kissed
I don't wanna be fucked
I just wanna be his
I wanna be loved by your favourite son

You come home
Bother me
With your love
Lucky me

I wanna be loved by your favourite son
If you've only got one, then you've only got one
I don't care how he looks
I just want from your line
I don't care if he loves me
'Cause I'm sure I'll be fine
I want him to be yours
And I want yours to be mine

You come home
Smother me
With your love
Lucky me
You come home
Smother me
With your love
Lucky me
You come home
Smother me

I wanna be loved by your favourite guy
Don't wanna be left 'cause he's making me cry
I wanna be yours, I don't wanna be squeezed
I just wanna be loved, I don't wanna be teased
I wanna be loved by your favourite guy

You come home
Smother me
With your love
Lucky me

Lucky me, lucky me
Lucky me, lucky me
