

Gun Crazy

Drengé

Top dog, you know what I mean?
Everybody says the sweetest things
Everybody gives you what you want
I broke all my dreams just to do it alone
Two shillings for a load of bread
Two shillings put a price on his head
Everybody listen what I said

Whoa, whoa
My baby, oh my baby's gonna mess me around
Whoa, whoa
My baby's gone gun crazy for me now

I'm a cunt 'cause I do what I want
And I do what I want 'cause I can
I'm a cunt 'cause I do what I want
And I do what I want 'cause I can

Whoa, whoa
My baby, oh my baby's gonna mess me around
Whoa, whoa
My baby's gone gun crazy for me now
