

Let's Pretend

Drengé

When I come into your room
And you always start so soon
I want to be your friend
So baby let's pretend
And when it happens in the dark
And means nothing in my heart
I want to be your friend
So baby let's pretend
And when we look up at the stars
And you set your sights on mars
I want to be your friend
So baby let's pretend
And it's the worst when I'm alone
'Cause I'm always on my own
I want to be your friend
So baby let's pretend
Yeahhhhhhhhhhhhhhhhhhhahah
Yeahhhhhhhhhhhhhhhhhhhaha
Baby
Let's pretend
