

# The Snake

Drengé

The snake, he wraps his neck, round mine  
We kiss like it's the first time  
And with our bodies intertwined  
I feel like I've been satisfied

Writhing, twisting, squirming, further  
Biting, kicking, screaming, I love you  
Boa constrictor, hungry forever  
I'm the snake, I'm the snake that puts you down

Think he'd look good in snakeskin boots  
He'd shed them in a blink  
And when we shake hands like businessmen  
I feel his fangs sinking in

Writhing, twisting, squirming, further  
Biting, kicking, screaming, I love you  
Boa constrictor, hungry forever  
I'm the snake, I'm the snake that puts you down

She takes me to  
The lake of tears  
She peels my scales  
Confronts my fears

Writhing, twisting, squirming, further  
Biting, kicking, screaming, I love you  
Boa constrictor, hungry forever  
I'm the snake, I'm the snake that puts you down
