

Can She Have This Dance

Drew Baldrige

Baby, here we are
White dress and a black tux
First night with the same last name
Every eye here's on us
And you look just like an angel
Spinnin' round on this floor
Never been so in love, never been so sure
But baby, when our song ends
And the next one begins

Can she have this dance?
Can she steal me for the next one?
Just three more minutes
For a momma and her son
Yeah, she's gonna cry
And so will I
'Cause in her eyes I'm
Still her baby boy
Yeah, you know I'm your man
But can she have this dance?

All the things you love about me
Yeah, I learned that from her
How to love, how to pray, how to be
Everything that you deserve
And I knew from the moment I met you
She was gonna be over the moon
And love you like I do

So can she have this dance?
Can she steal me for the next one?
Just three more minutes
For a momma and her son
Yeah, she's gonna cry
And so will I
'Cause in her eyes I'm
Still her baby boy
Yeah, you know I'm your man
But can she have this dance?

And we counted down the days to say "I do"
And I know this night is all about me and you

But can she have this dance?
Can she steal me for the next one?
Just three more minutes
For a momma and her son
Yeah, she's gonna cry
And so will I
'Cause in her eyes I'm
Still her baby boy
Yeah, you know I'm your man
But can she have this dance?
Yeah, can she have this dance?
Yeah

Baby, here we are

White dress and a black tux
