

Hung the Moon

Drew Holcomb & The Neighbors

I like the way you hung the moon, uh huh.
Well i just like being close to you, uh huh.
When you're gone i feel so blue, uh huh.
Yeah, i like the way you hung the moon uh huh.

I like the way you know that dance, uh huh.
I like the way you hold my hand, uh huh.
Just spin me all across the floor, uh huh.
Yeah, i like the way you know that dance, uh huh.

Well i like the way you sing your songs, uh huh.
You've been singing to me all along, uh huh.
The way you loved me won my heart, uh huh.
Yeah, i like the way you sing your songs, uh huh.

I put on that white dress for you, uh huh.
I don't preach or marry but yes i do, uh huh. (?)
I'll stay and i'll grow gray with you, uh huh.
Yeah, i put on that white dress for you, uh huh.
