

Sometimes

Drew Holcomb & The Neighbors

Saving pages from your magazines
Of all the people that you want to be
It's okay to be yourself sometimes

No one seems to recognize your face
Forever changing as you plead your case
It's okay to love yourself sometimes

All the memories that have put you here
Carry on just like a flame
Takes a special kind of souvenir
To help you along the way

When you feel there's nothing left to say
And all your favorite records have been played
It's okay to be alone sometimes

All the memories that have put you here
Carry on just like a flame
Takes a special kind of souvenir
To help you along the way

To all the loves that seemed to never stay
Never knowing that you felt that way
It's okay to let them go sometimes
It's okay to let them go sometimes
It's okay to let them go sometimes
