

# When We Were Young

Drew Holcomb & The Neighbors

Everybody loves the things you do  
From the way you talk to the way you move  
Everybody here is watching you  
'Cause you feel like home, you're like a dream come true  
But, if by chance, you're here alone  
Can I have a moment before I go?  
'Cause I've been by myself all night long  
Hoping you're someone I used to know

You look like a movie, you sound like a song  
My God, this reminds me of when we were young

Let me photograph you in this light in case it is the last time  
That we might be exactly like we were before we realised  
We were sad of getting old, it made us restless  
It was just like a movie, it was just like a song

I was so scared to face my fears  
Nobody told me that you'd be here  
'Cause I've been by myself all night long  
Hoping you're someone I used to know

You still look like a movie, you still sound like a song  
My God, this reminds me of when we were young

Let me photograph you in this light in case it is the last time  
That we might be exactly like we were before we realised  
We were sad of getting old, it made us restless  
It was just like a movie, it was just like a song

(When we were young)  
(When we were young)  
(When we were young)

It's hard to admit that  
Everything just takes me back  
To when you were there  
To when you were there

And a part of me keeps holding on  
Just in case you hasn't gone  
I guess I still care  
Do you still care?

It was just like a movie, it was just like a song  
My God, this reminds me of when we were young

Let me photograph you in this light in case it is the last time  
That we might be exactly like we were before we realised  
We were sad of getting old, it made us restless  
Oh, I'm so mad I'm getting old, it makes me reckless

It was just like a movie, it was just like a song  
When we were young
