

Crying Wolf

Drew Sycamore

Whenever you're leaving
You say you forget your reasons to go
'Cause at home you'll still be thinking of me
Your mind is still in pieces
Mostly with me, but not at peace yet
But you walk around just thinking of me

Does she know you're mine?
You know I could love you so much better than her
You know I could love you so much better than her

'Cause I don't wanna be that other girl
No, you know that I'm not that kind of girl
She's crying wolf, she's crying wolf
Baby, don't get stuck in her world
You know that I'm not that other girl
No, I'm the one you want so kill the girl
She's crying wolf, she's crying wolf
Don't you know she's crying wolf?

You say it's all about waiting
I know you find it hard to face it
But you walk around just thinking of me
But I'm not the one to tell you
What to do, and how, and when to go
But I know you feel home, thinking about me

Does she know you're mine? Ooh, ooh
You know I could love you so much better than her
You know I could love you so much better than her

'Cause I don't wanna be that other girl
No, you know that I'm not that kind of girl
She's crying wolf, she's crying wolf
Baby, don't get stuck in her world
You know that I'm not that other girl
No, I'm the one you want so kill the girl
She's crying wolf, she's crying wolf
Don't you know she's crying?

Ooh, ooh
No
No, ooh, yeah
Ooh, yeah
