

# Jungle

Drew Sycamore

Ooh, ooh

Baby, I've been stuck here  
Stuck between the rest of me and you  
Mm, baby, when you kiss me  
Hits me like the violet skies in June, ooh

But it only goes so deep  
Hoping the holy ghost unties everything  
But I can't let go, you're mine  
Even an ocean can't divide how I feel

My mind is a jungle  
Every time I'm thinking about you (About you)  
But my mind is a jungle  
Every time I'm thinking I love you (I love you)

Abandoned intuition  
Has me round in circles far and wide  
Mm, but baby, when you touch me  
Feels like I am falling from the sky, ooh, yeah

I hope divine intervention  
Let's the holy ghost untie everything  
But I'm just hoping you'll be mine  
There's still an ocean to divide everything (Ooh, ooh)

My mind is a jungle  
Every time I'm thinking about you (About you)  
But my mind is a jungle  
Every time I'm thinking I love you (I love you)

Na, na, na, na-na-na-na, na, na, na, na-na-na-na  
Na, na, na, na-na-na-na, na, na, na, na-na-na-na  
Ooh, ooh, ooh, yeah, yeah, yeah

My mind is a jungle (Yeah)  
Every time I'm thinking about you (About you, ooh)  
But my mind is a jungle (Jungle)  
Every time I'm thinking I love you (I love you, I love you)
