

Keeping Up

Drew Sycamore

Don't you know it kills me
To see you alone?
But your love's so fast it hurts me
There's no way I'm keeping up

If that was a way to take it slow
Maybe I'd think about it
Maybe I'd think about it
There's no way I'm keeping
(Oh) Oh-oh-oh
There's no way I'm keeping up
Yeah, yeah, yeah

Yeah, yeah
But your blood runs too fast
There's no way I'm keeping up with you
There's no way I'm keeping up with you
'Cause I took it all off on the first day
Gave it all up on the third day
Only to repeat, just trying to keep up with you
Kept me up late on the last day, yeah, yeah

Then your blood ran too cold
I couldn't keep up with you
With you

Trying my best to break the
Chains that keep me
But you burn so fast it hurt us
There's no way I'm keeping up (Oh)

But you give me no salvation, no
With you is just purgatory
With you is just purgatory

Yeah, yeah, yeah
But your blood runs too fast
There's no way I'm keeping up with you
There's no way I'm keeping up with you
'Cause I took it all off on the first day
Gave it all up on the third day
Only to repeat, just trying to keep up with you
Kept me up late on the last day, yeah, yeah

And I, I, I, I'm burning up
I'm burning up on you
At that's the only way I could be keeping up
Keeping up with you

'Cause your blood runs too fast
There's no way I'm keeping up with you
There's no way I'm keeping up with you
'Cause your blood runs too fast
There's no way I'm keeping up with you
There's no way I'm keeping up with you

Yeah, yeah, yeah

But your love runs too fast
There's no way I'm keeping up with you
There's no way I'm keeping up with you
'Cause I took it all off on the first day
Gave it all up on the third day
Only to repeat, just trying to keep up with you (Trying to keep up with you)
Kept me up late on the last day, yeah, yeah
There's no way I'm keeping up
There's no way I'm keeping up with you (With you)
But you kept me up late on the last day, yeah, yeah, yeah, yeah, yeah

But your blood ran too cold
Couldn't keep up with you
