

# Stereotype

Drew Sycamore

Words don't count, words won't come if you go  
I give a little time, give a little time just to know, know  
I know you no good, I always knew that  
But I got into it, hoping that you would give me more  
But now I'm not sure what you wanted, wanted, yeah

Keep me up all night analysing  
What a fucked up thing we got going  
25 missed calls and I'm thinking  
You're never changing, yeah

Say what you wouldn't say  
'Cause what is this anyway  
All stereotype  
But that what's you wanted, right?  
I'll do what you didn't do, mmm  
Say that I'm not for you  
Not stereotype  
But that what's you wanted, right?

Words don't count, words just come when you know  
But you never had none, you just made no sense at all, oh  
And all you ever were has always been a blur  
And you know I got into this hoping  
That you would give me more  
But now I'm not sure what I wanted, wanted, yeah

Keep me up all night analysing  
What a fucked up thing we got going  
25 missed calls and I'm thinking  
You're never changing, yeah

Say what you wouldn't say  
'Cause what is this anyway  
All stereotype  
But that what's you wanted, right?  
I'll do what you didn't do, mmm  
Say that I'm not for you  
Not stereotype  
But that what's you wanted, right?

Yeah, that's what you wanted, right?  
That's what you wanted, right?  
Mm-mm-mm-mmm

Say what you wouldn't say  
'Cause what is this anyway  
All stereotype  
But that what's you wanted, right?  
I'll do what you didn't do  
Say that I'm not for you  
Not stereotype  
But that what's you wanted, right?

Yeah, that's what you wanted, right?  
That's what you wanted, right?
