And if that ass flat, baby, go check them backbones
Toot that stuff for me, come throw that ass though

And if that ass flat, baby, go check them backbones

And if that ass flat, baby, go check them backbones

I beat it up, and I ain't even use no match though

I'm an asshole, gon' throw it back with that ass fold
And if that ass flat, baby, go check them backbones
Tooth that stuff for me, come throw that ass though
