Tuh, ha

Uh

Go and ask about the kid, no tellin', talkin' 'bout that shit we did
How your niggas throwin' smoke but y'all ain't never pulled a skid?
If they check me, don't feel bad, that's just the way I live
Riot rollin' on his grave 'cause y'all still ain't slid
Y'all ain't slid for that dead nigga, he dead, nigga
How he gon' against me when I really done fed niggas?
But he ain't from that hood, fuck it, but they friends, nigga
Chippin' when I say so, just like Simon says, nigga

Chunky Jays, Chunky Jays this and Chunky Jays that
Got it on me everywhere I go 'cause they want payback
Said he James Blank, well, my niggas do not play that
My niggas on go, we turnin' niggas into hangman

Niggas safe, but I got poppin' in my city, niggas silly
Don't go nowhere without my Bentley
Get tricky, a faggot snitched on me, that's Mickey
But he ain't get put off, so I'ma hit him with the semi
Man, that's all facts, no cap, I'm on that
I ball hog when I play ball, nigga, no ball back
Nigga ask you where I'm from, it's J. Saud and all that
Speakin' 'bout your war stories, lil' nigga, all caps
Niggas hype but don't show love, that's ho stuff
Thought he was tough till them J-Boys done showed up
Chunky blower on my waist, make a nigga hold up
Always been a fly nigga, what the fuck's a glow up?
Always been a fly nigga, go ahead and ask your bitch though
He'll murk only, gangster with a pistol
Crash out dummies'll hop out and let that shit blow
I know why he don't like me 'cause I gave his bitch a tip, bro
Gave your bitch a tip like that bitch a waitress, huh
And we just fuckin', we don't do no dates
That nigga made it, that's the reason why these niggas hate it
And I came from nothin', so if I need it, I'ma take it
Johnny's brothers up, stitch, slippy, don't say shit
Be safe, 'cause on my side, this shit get dangerous

Chunky Jays, Chunky Jays this and Chunky Jays that
Got it on me everywhere I go 'cause they want payback
Said he James Blank, well, my niggas do not play that
My niggas on go, we turnin' niggas into hangman
