

On Fleek

Drexthejoint

Cypress

Uh, man it's a cold world, so keep your heat (Keep y'all heat)
I got a bad bitch, swear to God, that bitch on fleek (She on fleek)
Don't even gotta ask her, she get up on her knees
Know how to suck it right, she don't even use her teeth (Don't use your teeth)
Uh, man it's a cold world, so keep your heat (Keep y'all heat)
I got a bad bitch, swear to God, that bitch on fleek (She on fleek)
Don't even gotta ask her, she get up on her knees (Woo)
Know how to suck it right (Woo), she don't even use her teeth (Don't use your teeth)

Ain't worried 'bout no bitch but them blue strips
Say you want this dick, lil' baby, come hold this (Come hold this)
Put it in your mouth, lil' baby, come throat this
Yeah, you say you with the shits, lil' baby, come show it (Show it)
Man let's be honest, not on the field, you in the comments (On the 'net)
Nigga, how I live it, lil' baby ain't got no option
All fake love, she only want it 'cause I'm poppin'
Got her for the team, my nigga, because she toppin'
Oh, that's your main bitch? She'll throw it back (Throw it back)
Looks like your bitch, gon' get your ho snatched (Woo)
Niggas poppin' hot shit, I'm on that (On that)
And every time Drex come on, she throw it back
Ayy, throw it back, baby, I'm finna catch it
Love a bad bitch, she freaky and she nasty (And she nasty)
Don't gotta act bougie, I like em' ratchet (Ratchet)
Niggas act up, I'm finna hit him with this MAC-10, nigga

Uh, man it's a cold world, so keep your heat (Keep y'all heat)
I got a bad bitch, swear to God, that bitch on fleek (She on fleek)
Don't even gotta ask her, she get up on her knees
Know how to suck it right, she don't even use her teeth (Don't use your teeth)
Uh, man it's a cold world, so keep your heat (Keep y'all heat)
I got a bad bitch, swear to God, that bitch on fleek (She on fleek)
Don't even gotta ask her, she get up on her knees (Woo)
Know how to suck it right (Woo), she don't even use her teeth (Don't use your teeth)

My bitch on fleek and she a freak
Know I got hoes, I ain't even gotta sneak
She put it in her mouth, I ain't even gotta speak
She said she wanna eat, tell her that I got some meat
I ain't lickin' on no feet, what the fuck I look like?
I'm Mr. Make-A-Nigga-Main-Bitch-Look-Twice
Hoes say I'm cheap, I don't ever book flights
Nigga claim he real but he rockin' fake ice
I ain't worried bout' a bitch, I'm worried about them hund's
Niggas worry about me, they ain't even got a dub
Water on my wrist like I put it in a tub
Two EPs on me, got me lookin' like the plug
I told her I'ma leave her, but I'll beat it every month
Money in my pockets, yeah, them motherfuckers stuffed
I need a bad bitch, I ain't fuckin' on no ducks
It's a cold world, keep that motherfucker tucked, bitch

Yeah, throw it back for me, baby
Yeah, this some 8k boys (8k)
Yeah, be fun to fuck a nigga, she gon' play with them toys (Uh)
Yeah, I know your nigga mad 'cause he ain't makin' no noise (Uh)
Yeah, do it up for Drex, do it up for them boys
Yeah, this the gangland, I can bang that (Bang that)
Don't make shots, my niggas aim at face tats (Face shots)
You not from your section, you can't claim that (Uh)
Nigga, I been a real nigga, tuh, I could bang that, nigga (Uh)

Uh, man it's a cold world, so keep your heat (Keep y'all heat)
I got a bad bitch, swear to God, that bitch on fleek (She on fleek)
Don't even gotta ask her, she get up on her knees
Know how to suck it right, she don't even use her teeth (Don't use your teeth)
Uh, man it's a cold world, so keep your heat (Keep y'all heat)
I got a bad bitch, swear to God, that bitch on fleek (She on fleek)
Don't even gotta ask her, she get up on her knees (Woo)
Know how to suck it right (Woo), she don't even use her teeth (Don't use your teeth)

Nigga
Cypress (Uh)
Huh
Woo
