

Stick Up

Drexthejoint

I'm a real life risk taker, I'm tryna plot another scheme
Give a bitch the quick boot if she ain't fuckin' with the team
Bitch, please, get dough like that nigga Chuck E. Cheese
Leave a nigga body stinkin', think that nigga need Febreze
Say, this the Bop Bop J-team, pull skits like I'm Jaylen
Lil' freaky bitch want this dick, you better say please
Free KB, all on my own, nobody made me
I'm still that same nigga, rap shit ain't never changed me
I'm finna slide through that whole block like, nigga, peekaboo
We can do whatever, lil' nigga, there's nothin' we can't do
Hop out trippin' on Jay side, nigga, who is you?
All my niggas feisty, on gang, can never play it cool
It's gang business, niggas cliquin' up 'cause they can't hang with them
I know y'all cryin' now 'cause over draws, there was no savin' them
Don't play with us, keep it real, a lot of niggas fakin' it
And if you know me, then you know I'm armed and dangerous
So get back like click clack, push a nigga dreams back
All my niggas trippin', tryna give a nigga wings fast
My name hold weight like a motherfuckin' big bag
Bitch better put it in her mouth like a Tic Tac

I'm a dope getter, you's a broke nigga
I don't care if niggas tripping, I don't fear no nigga
They put on two opps, I'm finna go and go get them
With my niggas, jack boys, lil' nigga, it's a stick-up, it's a stick-up

Sonny J blank, let's blitz them
Fuck bitches so much, nigga, that's why my dick hurt
Never had a job, but on gang, you can get work
My niggas designers, we puttin' face up on some T-shirts
You know it's a problem if you see me slidin' with active
Play ball, lil' nigga, they have back up
My bitch askin' more questions, nigga, than the detective
And if you throw it back, lil' baby, I'm finna catch it
Gang land, gang business, gang with me
Don't talk about my gang 'cause you can't hang with me
Your bitch wanna fuck 'cause I get chilli
Niggas wanna kill me, that's the reason why I keep billy
Uh, my bitch bad and she bossed up
To be a nigga like me, it just cost much
I been that nigga, don't gotta talk tough
You a bum nigga, lil' nigga, get your guap up

I'm a dope getter, you's a broke nigga
I don't care if niggas tripping, I don't fear no nigga
They put on two opps, I'm finna go and go get them
With my niggas, jack boys, lil' nigga, it's a stick-up, it's a stick-up
