

Fucked For Life

Driller Killer

One side of reality
Murder rape n´misery
Fucked for life - by mother nature
Fucked for life - by our creator

Times are changing and so am I
Another day, another lie
Fucked for life...

Take my hand, do not fear
Let´s go outside, we don´t belong in here
Fucked for life...

War...sickness...radiation....
A hell on earth... starvation...
World quake.. HIV.. fucked for life.. brutality
