

Speed D'mon

Driller Killer

King of the hill, feelin' fine
Talking too much, I've had my line
Rivers of sweat down my neck
Chewing my lips like a f**kin' wreck

Speed d'mon - nowhere to go but down
Speed d'mon - how long til I hit the ground?

A sucker for your bag, bag of trixx
Candyman give me my kixx
Face the mirror, it wont do (me) no harm
f**k that shit, put it in my arm

Speed d'mon - nowhere to go but down
Speed d'mon - how long til I hit the ground?

I do my shit, I don't give a f**k
Practice what you preach, even if it suck...

Speed d'mon - nowhere to go but down
Speed d'mon - how long til I hit the ground?
