I want it more and more, my throat is burning
I want you, my thirst for you only deepens
Running through the endless path, the distance shortens
Running faster, go faster and faster, I'll be the one
No need to prove it, I'm winning from the beginning
That meaningless, don't need to compare, I'm gonna pass
I only need one thing you are the only one
I'm gonna be the one who's irreplaceable

Slowly I know, all of it
Slowly I know
Running beyond the day and night
Which split from one

Everywhere
Wherever you are
Find the way
So we can be together

I'm the one, one and only one
One, one and only
Yeah, I'm the one, one and only one
Me, the one who found you, I'm the one

Let's go

At the end of this continuous path
The answer to your first question
Perhaps all the repeated happenings
Were for me to meet you waiting at our starting place
Yeah, everything happens for a reason
The hopeful trust that it will be you
It can't be false because I'll do it
Again and again, repeat, on and on and on

Yeah, I'm the one, one and only one
Me, the one who found you, I'm the one

In the undetected movement, think about you and I
The inevitable yet primal attraction of the sun and moon's eclipse
The gleaming lights crown this is all a plot for you and I
Now is the moment, no doubt

Everywhere
