I'm the villain

Woke up in the dark of night waiting for you
Breaking you deep inside, I'll make you lose your breath
I can't stop right, can't avoid it why
Feeling that I can't control, baby why so serious

In the dark night, I want you like crazy
Filling my empty heart
(Love me babe love me babe)
It's time to fly
You're making me crazy as we become one

Baby I got the power
You're so dazzling it blinds me (hey yeah)
I'm the villain villain villain
I'm the villain villain villain

Baby I got the power
You're so dazzling it blinds me (hey yeah)
I'll set your heart on fire again today
I'm the villain I'm the villain
I'm the villain I'm the villain

Yo it's dripping love dripping
Cause you provoke me
Wanna take you babe
I'll make you entirely mine

What you gonna do, you're my trigger
Get lost, buster! set it on fire, tension

I can't stop right, can't avoid it why
Feeling that I can't control, baby why so serious

In the dark night, I want you like crazy
Filling my empty heart
