

## Sink Hole

### Drive-By Truckers

I've always been a religious man, I 've always been a religious  
man  
but I met the banker and it felt like sin, he turned my bailout  
down  
The Banker Man, he let into me, let into me, let into me  
The Banker Man, he let into me and spread my name around  
He thinks I ain't got a lick of sense cause I talk slow and my  
money's spent  
Now, I ain't the type to hold it against, but he better stay of  
f my farm  
Cause it was my Daddy's and his Daddy's before  
and his Daddy's before and his Daddy's before  
Five generations and an unlocked door and a loaded burglar alar  
m.

Lots of pictures of my purdy family, lots of pictures of my pur  
dy family  
lots of pictures of my purdy family in the house where I was bo  
rn.  
House has stood through five tornadoes,  
Droughts, floods, and five tornadoes.  
I'd rather wrastle an alligator than to face the Banker's scorn

Cause he won't even look me in the eye  
He just takes my land and apologize,  
with pen, paper, and a friendly smile, he says the deed is done  
.  
The sound you hear is my Daddy spinning, The sound you hear is  
my Daddy spinning  
The sound you hear is my Daddy spinning over what the Banker do  
ne.

Like to invite him for some pot roast beef and mashed potatoes  
and sweet tea  
follow it up with some banana pudding and a walk around the far  
m  
Show him the view from McGee Town Hill  
Let him stand in my shoes and see how it feels  
to lose the last thing on earth that's real  
I'd rather lose my legs and arms

Bury his body in the old sink hole Bury his body in the old sin  
k hole  
Bury his body in the old sink hole under cold November sky  
Then damned if I wouldn't go to church on Sunday  
Damned if I wouldn't go to church on Sunday  
Damned if I wouldn't go to church on Sunday  
and look the Preacher in the eye.
