

CROSS

Dro Kenji

Perfect!
Ooh, oh, oh
Know exactly what I need, know, know exactly what I need
Ooh, oh, oh

Fly past
She keep on talkin' 'bout her feelings, but ain't nobody ask
I never think about the money that I spend so fast
If you could let them bitches hold you then you might just crash
It's on my soul, I adore the money, hop up in this Lamb' and get lost
I need your help right now, I'm havin' trouble countin' it all
I know she need me by her side, I came in there tripping balls
Guess you don't need me
Crossed the line you know I never would cross

Ayy, easy, baby, I'm a player, so I won't protect your heart
All my opps gon' need a prayer
Don't think the lord could bless they heart
Lately, I'm feeling like the mayor, oh, she bougie than a motherfucker
I know that I could probably take her
Can't any nigga get a upper-upper
I pulled up for war and fucked around and got a triple-double
She came with her bestie, damn, this shit done turned to double trouble
He was talking crazy, had to give that boy a couple knuckles
Pop out with extended clips and make a nigga cookie crumble

I'm on top of the world with the whore of your dreams
Like, oh my God, she getting wild, she tryna suck it through my jeans
I get up in her when I'm home, I think I turned her to a fiend
I got a couple little shawties know exactly what I need

Fly past
She keep on talkin' 'bout her feelings, but ain't nobody ask
I never think about the money that I spend so fast
If you could let them bitches hold you then you might just crash
It's on my soul, I adore the money, hop up in this Lamb' and get lost
I need your help right now, I'm havin' trouble countin' it all
I know she need me by her side, I came in there tripping balls
Guess you don't need me
Crossed the line you know I never would cross

I never would cross
You know I never would cross
Yeah I came in with my neck trippin' balls
