

(Let's do it!)

(Saga made it)

I tell her, "Up, down on the dick like a pogo"  
I've been runnin' to this money, countin' Play-Doh  
Up, down on the dick, shake your ass, lil' bitch  
I just wanna see you get wild real quick  
Ayy, come and get your bitch, she gettin' wild in this bitch  
Bring your girlfriend so we can have a party in this bitch  
Up, down, up, down, lil' mama goin' crazy  
We got lot's of drugs in here, bitch, we gettin' faded  
Yeah, go, Mary, go, Megan, go Lacy  
Go crazy, go stupid, get booty, we do this, yeah

Told her, "Don't you come in here unless you shakin' your ass"  
She got a whole gang of thotties and all them bitches too bad  
Tried to down a whole bottle, it put her right on her ass  
Countin' whole lotta money, but I ain't livin' too fast  
Let me see you shake it, baby, don't be nervous  
The way you bounce that ass, you do it with a purpose  
Jump up on the dick, and baby, ride it like you're surfin'  
(Like you're surfin', yeah)  
All my niggas static ready, they'll leave you hurtin'  
Big stick on my hip, like a baby, let it rip  
Long hair, don't care, she shakin' ass everywhere  
Got a little bit of Henny in my system right now  
Neighbors tried to call the police, they tellin' us, "Pipe down  
"
