Goodbyes

Dro Kenji

Ooh, no-no-no-no-no
Oh, money in, money out
(Internet Money, bitch)
Yeah

Hello, I be scared of goodbyes (Scared of goodbyes)
Me and my enemies walk side by side (Walk side by side)
Low down, I can't get up (I can't)
Slow down, I've been livin' too fast now

I'm gonna live my life how I choose
Two bitches at the same time, matchin' tattoos (Matchin' tattoos)
Young rich nigga doin' young rich shit
Throwin' money everywhere, and she gon' fuck me 'cause I'm rich
Screamin', "Ooh-ooh-ooh, fuck a valentine"
Drinks in the air, sippin' codeine like wine
We love the medicine
Codeine potion healed all the damage
You know I love you, I'm just young
I really hope you understand it

Ooh, I be stressin' but it's all for nothin' (Nothin')
Codeine sippin' nigga, not no Robitussin (Oh-oh)
In and out her mind
Dick all in her stomach had her pussy gushin'
(Got her pussy gushin')
Flew her out this mornin', by tonight have her blushin' and cussin'
Plus, my money gettin' long, count the sack with no repercussion
Ain't no need to tell these niggas 'cause they know just what I'm 'bout
Stack the hundreds in a tower, throw the twenties on the ground
Lil' shawty at the party going wild
Off the Molly, blow a whole pound of the Mary down (Ooh-yeah)
She way too high to form a frown
Kiss my neck and you might drown
Diamonds hittin', I'm up now
Ain't said too much to take her down

I'm gonna live my life how I choose (Ooh, woah)
Two bitches at the same time, matchin' tattoos (Matchin' tattoos)
Young rich nigga doin' young rich shit
Throwin' money everywhere, and she gon' fuck me 'cause I'm rich
Screamin', "Ooh-ooh-ooh, fuck a valentine" (Ooh-yeah)
Drinks in the air, sippin' codeine like wine
We love the medicine
Codeine potion healed all the damage
You know I love you, I'm just young
I really hope you understand it

Me and my enemies walk side by side (Walk side by side)
Low down, I can't get up (I can't get up)
Slow down, I've been livin' too fast now (Oh, wow)
