Dro Kenji

Huh, ding, ding, ding  
Ding, ding, ding, ding, ding  
Water!  
Ayy, ayy, ayy, ayy, ayy, ayy, ayy  
Goodbye everyone, I'll remember you all in therapy  
Haha, ahem  
Playtime's over, I hate windows, I hate windows  
Yuh, yerr!

Worth more than a Birkin, and that is for certain  
Butterscotch caramel, color the curtains  
You might need a recipe, this not a burger  
The sauce that I'm dishin' out so damn unheard of  
Your girl gonna suck like a octopus tentacle  
Her mouth and leeches do somethin' identical  
Trappin' off the digital, look for a signal  
Dodging all the police, call 'em piggies like a pinky toe  
Sipping muddy lean up outta Big Gulp cup  
Give no fucks, I get slump  
Higher than the price of gas to fill a Ford truck  
Spitting harder than Daffy Duck, tryna get buck  
Captain K'nuckles type belt buckle, no bluff  
She give suck at the Starbucks  
Just like some velcro, her mouth got me stuck  
Pimp cup sucks (Yuh), sip a pint of-

Feel like Joker, I'm purgin' the city, he Diddy  
I beat up the kitty, he Diddy  
He stack up the Benjis, he Diddy  
He Diddy, he Diddy, but his name not Diddy  
I beat up the kitty, he Diddy  
I'm purgin' the city, he Diddy  
I stack up the Benjis, he Diddy  
He Diddy, he Diddy, but his name not Diddy

Yuh  
Up-ittied-up my lean cup  
Fuckin' on anybody bitch at a threesome  
No Illuminati, you niggas sweeter than a Capri Sun  
Fuckin' on Ebony bitches, thinkin' they could be some  
Had this bitch lit like a titty  
Niggas is not fuckin' with me  
That's your man? Why he movin' so shitty?
