Yeah, I hope these niggas die  
Fuck all these niggas, 'til the end of time (John), haha  
Internet Money, bitch

Sippin' on Crown, take a bitch downtown (Downtown)  
Thotty on go, tryna fuck for the lease (For the lease)  
Bitch, we don't play, better watch your mouth (Watch your mouth)  
Yeah, watch your words 'round me ('Round me)  
I'm geeked the fuck up off this P-I-L-L (P-I-L-L-L)  
Send a bitch-nigga straight to H-E-L-L (H-E-L-L-L)

Gettin' booted with your bitch right now in the back of this brand new Range (Lit with some ho's)  
I've been busy gettin' rich right now, bitch, I needs to be doin' my thing (Doin' my thing right now)  
Fuckin' this bitch from the front and I'm smackin' her face with like all my chains (Chains)  
We so damn fly, I'm flyin' with the top down  
Stackin' this money but I never change (Don't change)  
All of this Mary go straight to my brain  
Take a nigga head off his shoulders  
And these baguettes look like boulders  
Don't love these ho's, my heart polar  
I think my ex made me colder  
Stickin' around, stickin' around  
Hang with the gang, smokin' strong odor  
Purp' by the pound, Purp' by the pound  
I don't got friends, nigga, I'm a loner
