I just poured a four codeine in my stomach
Bad lil thot, blue cash all hunnits
White lil hoe cocaine, snow summit
Percocet high, I ain't seen the shit coming
I got the slime, big ass knot
Drinking on drop so you know I'ma drop

Sippin' on syrup, I'm sippin' on snot
I'm with the slimes, you niggas is not
Niggas ain't polo, they cappin' a lot
Bust up the party and shoot up the spot
Upping the Glock, I want all that you got
