

LOVE YOU MOST

Dro Kenji

(For the most part, most part, I feel fine)
Yeah, uh
Gotta watch my back 'cause it's only me
Yeah, it's only me for the most part
(Hahahaha, Nick, you're stupid)
(Perfect!)
I'm only used to lies
Goddamn, if was to fall in love then I'd fall real hard (Ooh)
Cuddle me and love me, with your love, I'm feeling lucky
Stick with me, don't leave me, bae, I need you to complete me

I'm only used to lies
Every time I fall in love again, I fall too hard
What's a girlfriend?
I'm only used to lies
Every time I fall in love again, I fall too hard, goddamn
Gotta watch my back 'cause it's only me
Yeah, it's only me for the most part
I'm only used to lies

Follow me to greatness, most of this unrelated (Ooh)
I just love your smile, can I fuck you in this Mercedes?

She said she wanted my dick since high school (Since high school)
That ain't nothin', bae, that's easy, you could fly out soon
Guess I really win, guess I rule (Guess I rule)

Me and you stuck in a cycle I'm tryna break out of
Hatin' the feelin' I'm gettin' for loving you this long (Ooh, no-no-no)
I got the baddest bitch, I rule (I rule)
Big Kenji flexin' while the girls drool

I'm only used to lies
Every time I fall in love again, I fall too hard
What's a girlfriend?
I'm only used to lies
Every time I fall in love again, I fall too hard, goddamn
Gotta watch my back 'cause it's only me

I'm only used to lies
Goddamn, if was to fall in love, then I'd fall real hard
