Dro Kenji

Bad hoe [?] she a wild job, she a panther  
She gon' up the fucking Glock and make a pussy nigga fly like he was Prancer  
Red bones [?] she don't feel alone she a cancer  
I just seen the fucking lights behind me 'bout to do the dash like I'm Dashe  
r  
I been sippin' on the drank fucked another hoe throw away the skank  
Cousin in the feds praying to his shank  
Hoping they don't take his fucking life away  
I ain't been feeling shit for so long  
Lil goth bitch got a black thong  
Got a bitch in love with my songs  
Seen a bad little bitch tryna mac on

Up the torrents let this bitch go to work  
Throw a rat nigga on a blank t-shirt  
Pistol jumpin' like a rock concert  
She a bad lil bitch wanna get in her skirt  
She a bad lil hoe but she so fine  
Lil rap nigga with a rock vibe  
Dread head swinging like a tree vine  
Got a bald head pussy not a feline  
I been hanging with some killers for real  
Introvert 2 'bout land me a deal  
Snitchin' lil nigga go cry like a seal  
I left that lil hoe cause she couldn't keep it real  
I love all my brothers that's banging for real  
I stay with them chops and [?] for real  
All of this gold make a statement for real, for real

Fucking lil shorty with the lights on  
Bite on her ear like Tyson  
Tryna' fuck lil shorty to my song  
Gotta go, gotta go can't be long  
Pushing round like I'm riding in a Nissan  
Can't a fuckboy for [?]  
Watch what you do quite speakin'  
Sippin' that lean got me tweakin'  
Moving so slow off a perky  
These nigga's erk me  
I gotta keep my thirty  
These nigga's lurking  
I cannot let them merk me  
I cannot let them hurt me  
She sucked my dick now she burpin'

She sucked my dick while I'm merging  
She got me swerving  
All I know is go get my bag  
I had to wipe that bitch she from my past
