

PAMPER PAMPER

Dro Kenji

Man, that cash get to that ass fast
Time gon' hit you faster than this speed up on my dashboard (Speed)
Pimpin' before pleasure, twenty seconds
Unleash hell on 'em (Gang)
Promise that I live the shit they rapped
I just excelled in it (Period)
Honesty, I can give a fuck about the model hoes
'Cause honestly, I discretely fucked all the model hoes
Honestly, \$20k I spent to get a bigger necklace
Just to have it dangle off some chick who like my IG status

Shawty really fuck me in the club, left with her pants on backwards (Whoa)
I can't let you in, I'm scared of love
On drugs, I feel way better
I like how you do it
Bitch, make me your Twitter header (Okay)
I like how you do it
Bitch, I'm paranoid, it's now or never

Pull out with my niggas, and you know they not no stutter steppers (Stutter steppers)
All my thots get evil, but I think this bitch is Satan's helper (Satan's helper)
How the fuck I need you?
I got rich without no pamper pamper (Pamper pamper)
I smoke strong ass weed, so I don't text
I might just call her over

Designer bag out a toolie (Huh?)
All of my hoes got a booty (Yeah)
Really rich, them niggas newbies (Shh)
I can't waste a thing, oh (Hold up)
At twenty-two, touch 23 (23)
Make couple racks when I'm asleep (Asleep)
She thought a nigga had some sleeks (Sleeks)
I told her, "This is Givenchy." (Givenchy)

How the fuck I need you?
I got rich without no pamper pamper (Rich without no pamper pamper)
I smoke strong ass weed, so I don't text
I might just call her over (Call her over)

Flexed up
Spent a hundred checks on a trucker trucker

Blessed, yeah
A black, rich, money gettin' motherfucker (Oh)
Bad black hoes twerkin' all around this motherfucker (Oh)
Fast forward through it
Give a fuck about how these niggas talkin'

Shawty really fuck me in the club, left with her pants on backwards (Whoa)
