

TONGUE TIED

Dro Kenji

Oh-oh-oh
Ooh, nah
(Census, what you cookin'?)

My heart was always broken
Just say you need me, I'll be there 'cause I've been wantin' yo
ur love
I hate when you get so stressed out
I'm always here for you to let me down

Cryin', I don't really need you now
I'll be right here, I could sing you a love song
Show me that you love me, don't just tell me
And I'll be there a while, while, while, or forever too long
I'll admit, I get lost in your eyes
You're so addictive, I get too high
So damn perfect, I get tongue-tied
And I can't help what you don't realize

I'm so in love, yeah, I'm stuck on you (On you)
You let me down, had you actin' ain't you
Tell me that you're coming to my rescue
I want you and only you
I'm through, I'm done
I just feel like falling (I just feel like falling)
But I know you won't catch me (No-no-no-no)
No, I know you won't catch me when I'm falling for you
What would you think if I told you about every little thing tha
t I'm lovin' about your vibe? (Ooh-ooh-woah)
We can rock out like rock-stars
Still gotta watch out 'cause I love hard

My heart was always broken
Just say you need me, I'll be there 'cause I've been wantin' yo
ur love
I hate when you get so stressed out
I'm always here for you to let me down

So damn perfect, I get tongue-tied
And I can't help what you don't realize (No)
