

## Counting Ten

DROELOE

Yeah

Yeah

Hey there

I guess you only notice a tree growing when it's still small  
But does that mean it isn't growing anymore when it's large and  
mature?

Ha, I still feel like I'm growing  
Even though my days are numbered  
But every number is infinite  
There is no difference  
Oh, yes... I'm coming!
