

Running Away

DROELOE

Running with the speed of light
Illuminate what's left behind
My feet barely touch the ground
Barely make a sound
Can't stop running away

Can't stop running away
Running away

I need to run
I need to run until I can't breathe
Steal the air
Out of my lungs
Speed my own feet
I can see from a distance
I can see from a distance

I can see from a distance
I can see from a distance

Can't stop running away
Running, running, running away
Running, running, running away
