

Fight To Unite

Dropkick Murphys

There was a time not long ago
When we'd get shit everywhere we'd go
But times have changed and so have we
We're creeping up on society
Stop complaining, don't you know
We've still got a long way to go

We gotta fight, fight, fight to unite
We gotta fight, fight, fight to unite
We gotta fight, fight, fight to unite
We gotta fight to unite

You get discouraged about wasting time
On a bunch of kids with simple minds
But kids can grow and minds get smart
Don't be negative, it's a start
No one's forced you, you can leave
It's not impossible if you believe

We gotta fight, fight, fight to unite
We gotta fight, fight, fight to unite
We gotta fight, fight, fight to unite
We gotta fight to unite

We've got to learn from their mistakes
Not just fill up this vacated space

We gotta fight, fight, fight, fight, fight to unite
We gotta fight, fight, fight, fight, fight to unite
We gotta fight, fight, fight, fight, fight to unite
We gotta fight to unite

Now's the time not long ago
It's time to prove this ain't no show
Fight and kill and claw our way
Think we'll make a better way
Use your minds, that's what they're for
Don't waste time trying to even the score

We gotta fight, fight, fight to unite
We gotta fight, fight, fight to unite
We gotta fight, fight, fight to unite
We gotta fight to unite

We've got to learn from their mistakes
Not just fill up this vacated space

We gotta fight, fight, fight to unite
We gotta fight, fight, fight to unite
We gotta fight, fight, fight to unite
We gotta fight to unite
