The Boys Are Back

Dropkick Murphys

```
The boys are back
The boys are back
The boys are back
And they're looking for trouble
The boys are back
The boys are back
The boys are back
And they're looking for trouble
The boys are back
The boys are back
The boys are back
And they're looking for trouble
The boys are back
The boys are back
The boys are back
And they're looking for trouble
Standing on the highway, on ninety three
I'm missing my home, and it's killing me
Down the ramp passed the jail, I'm feeling alright
Bought roses for my ladies from a corner [?]
It's time to get ready for that song and dance
Let's go my friends, it's time to take a chance
We're back in town, we're gonna get it done
We got nowhere to hide, we got nowhere to run
It's been a long time coming
It's been a long time coming
The boys are back
The boys are back
The boys are back
And they're looking for trouble
The boys are back
The boys are back
The boys are back
And they're looking for trouble
If that old familiar city could talk in here
You'd be just another nobody, you'd disappear
Your days are numbered, we're back around
We're coming for you and you're going down
It's been a long time coming
It's been a long time coming
The boys are back
The boys are back
The boys are back
And they're looking for trouble
The boys are back
The boys are back
The boys are back
And they're looking for trouble
And we're coming for you
And we're coming for you
```

The boys are back The boys are back The boys are back And they're looking for trouble The boys are back The boys are back The boys are back And they're looking for trouble The boys are back The boys are back The boys are back And they're looking for trouble The boys are back The boys are back The boys are back And they're looking for trouble
