

# The Gauntlet

Dropkick Murphys

Well I just got back from a break in the fight  
I was weighing in heavy but still feeling alright  
all I hear in the distance - mines and shells  
here come the sirens wailing another attack to be repelled

Do you think we're gonna make it?  
I don't know unless we try  
you could sit here scared to move  
or we could take them by surprise  
it's submission that they want  
it's surrender that they need  
when we're doing it their way  
their aims will be achieved

They're gonna come when you're not ready  
when you're not too well-prepared  
they're gonna prey upon your weakness  
no man's soul is ever spared  
you've got to stand up, yeah, and fight them  
show them what it's all about  
this man is not for sale  
there will be no backing down.

Stand up and fight and I'll stand up with you  
We shall succeed,  
Stand up and fight and I'll stand up with you

They won't get me, they won't get me  
though they never cease to try  
they won't get me, they won't get me  
I would rather fight and die  
they won't get me, they won't get me  
well my friend will they get you?  
when they get you, when they get you  
tell me what you're gonna do?

Do you think we're gonna make it?  
I don't know unless we try  
you could sit here scared to move  
or we could take them by surprise  
it's submission that they want  
it's surrender that they need  
when we're doing it their way  
their aims will be achieved.

They're gonna come when you're not ready  
when you're not too well-prepared  
they're gonna prey upon your weakness  
no man's soul is ever spared  
you've got to stand up, yeah, and fight them  
show them what it's all about  
this man is not for sale  
there will be no backing down.

Stand up and fight and I'll stand up with you  
We shall succeed  
Stand up and fight and I'll stand up with you
