

## Been G.O.A.T.

## Dropout Kings

No chain neck still froze  
New flow taste like dope  
If she can't swallow she'll choke  
Fill em with hollows he'll float  
Bang boom POW oh no (oh no)  
Heard I kick shit steel toe (steel toe)  
Lions and tigers and bears, oh my  
But the Dropout Kings been goat (goat)

Ay, I wanna fuck you and all of your friends  
But if you ain't grown you can't get in the van  
Rocking con that I got from my man  
She wanna con but I tell her I can't  
I'm on the road and I'm chasin the ends  
I'm tryna give the hood 60 bands  
Ol' bitch want the dick but it really depends  
Cause she hasn't healed yet from all of the sins  
Wait  
Hold up  
How many of you can fit in the Benz?  
I got count up the tally again  
I got the trees and the juice and the gin  
We rollin and pourin so you tell me when  
I'm on the road and I'm chasin the ends  
Old bitch want the dick but it really depends  
She hasn't healed yet from all of the sins  
Wait  
Hold up

No chain neck still froze  
New flow taste like dope  
If she can't swallow she'll choke  
Fill em with hollows he'll float  
Bang boom POW oh no (oh no)  
Heard I kick shit steel toe (steel toe)  
Lions and tigers and bears, oh my  
But the Dropout Kings been goat (goat)

I'mma come through with slit wrists  
Suicide doors on my shit  
Name be up on the guestlist  
Diamonds all over my fist  
I want you to hurt like me  
Beat 'em up and watch 'em bleed  
Weight on my shoulders like boomboxes  
No new friends cause I'm way too toxic  
Got more bands all up in my pocket  
I got hands beat 'em like team rocket  
(Damn, hold up)  
Ya never heard shit like this, now  
Ya never heard shit like this

No chain neck still froze  
New flow taste like dope  
If she can't swallow she'll choke  
Fill em with hollows he'll float  
Bang boom POW oh no (oh no)

Heard I kick shit steel toe (steel toe)

Wait, Hold Up  
Wait, Hold Up
