Dropout Kings

Baseball bat with the nails in it
All black truck with the 12's in it
Time to stack up, tell the gang to mask up
Got the all black mack with the shells in it

Ops wanna watch everything I do
Tryna copy cat wanna make my moves
But I'm too cold Lin Kuei my hue
But I'm trunks with the blade how my shit slide through

I don't got time so I got no patience
Favorite color purple but I like blue faces
Henny to the dome street shark no chaser
Fuck all the pigs and the fakes and the racists

Fuck that sucka he's wack I'll fight em
No blind man on sight I'll slide em
Swords coming straight from my wrists like Gigan
Eat a bitch whole like attack on Titan!

Fight like a viking flow like poseidon
The trident I write with is brighter than lightning
Baby girl said that she's down with the Dizko
Psycho crush her just like M. Bison!

Baseball bat with the nails in it
All black truck with the 12's in it
Time to stack up, tell the gang to mask up
Got the all black mack with the shells in it

Baseball bat with the nails in it
All black truck with the 12's in it
Time to stack up, tell the gang to mask up
Got the all black mack with the shells in it

New enemies wanna take my head
No zombie leave em left for dead
Gangsta walk I don't talk like Ted
Bad bitch in it when I make my bed

Eyes bloodshot cause I'm way too stoned
Mary Jane growin on my tombstone
Glitch gang shit yea the team been known
Watch your step better check your tone

Slide right through like tied shoe laces
Happy and sad like I go through phases
Hit em with a thunderbolt it ain't no taser
I can't make a deal you ain't got no paper

Always on point like pyramids and arrows
Shots comin straight at my head from the barrels
Werewolf go beast mode I'm feral
Real mutha fucka down to the bone marrow

Baseball bat with the nails in it
All black truck with the 12's in it

Time to stack up, tell the gang to mask up
Got the all black mack with the shells in it

Baseball bat with the nails in it
All black truck with the 12's in it
Time to stack up, tell the gang to mask up
Got the all black mack with the shells in it
