Dropout Kings

How they been trap but you ain't sell shit  
Same motherfuckers who tell me to quit  
I don't need trends to be a trendsetter  
Fuckin' with the worst but I do it better  
Weatherin' the storm but I bring the war  
Never was born to cop that Dior  
Came into this world to say fuck the nonsense  
All of you bitches need to trust in the process

Ready or not  
Here I come  
You can't hide

Killer witta conscious  
Trust in the process

Killer witta conscious

Well go ahead take a look at it  
Back at it like a crack addict  
And if the good die young I ain't mad at it  
And I don't know when I picked up all these bad habits  
You know it's bad for your health  
But you do it anyway  
Where the fuck did I pick up all these bad habits
