

I've had more than my share of  
Girlfriends, and don't ever care to  
Keep them for more than a year, but  
Tonight while safely asleep I've  
Fallen into this dream

Where Lucy and I are together forever  
A love far too good to be true

And when I wake up  
I wanna be happy  
So don't forget me  
When I wake up  
I wanna be happy  
So don't forget me

We socialize often times in our own corner  
Of the party's audience chatting with each others  
Exes and friends we made love with  
Circling the crowd  
Speaking very loud  
So we can find each other, steal a kiss and cop a feel  
In front of everyone

And at the end of the night we're stable and able  
To keep things from falling apart

And when I wake up  
I wanna be happy  
So don't forget me  
When I wake up  
I wanna be happy  
So don't forget me

I feel my heart ticking away like a clock  
Feel my heart ticking away like a clock  
Feel my heart ticking away like a clock  
My heart beat's ticking away like a clock  
Feel my heart ticking away to an alarming end  
To an alarming end

And when I wake up  
I wanna be happy  
So don't forget me  
When I wake up  
I wanna be happy  
So don't forget me
