

# Hate Against Hate

## Drowning Pool

Hate against hate  
Cause this world is a test  
Use us all up  
Until nothing is left

Hate against hate  
Until memory subsides  
There's no reason to trust  
When we're living to die

Is this really all we have  
Perversions of our truth  
When it falls I'll be so glad  
To levy the excuse

Get up, just get up  
Step up, just step up  
Shut up, just shut up  
Me against you, against us, against hate

Hate against hate  
Cause this world is a joke  
Laugh it all off  
In denial of ghosts

Hate against hate  
It screams eye for an eye  
No illusions of peace  
Or pipe dreams for the blind

Is this really all we have  
Perversions of our truth  
When it falls I'll be so glad  
To levy the excuse

(Hate against hate)

Temptation, frustration  
Words born to relive the pain and  
Believing it ain't easy  
My hatred it saves me

Hate against hate  
Until memory subsides  
There's no reason to trust  
When we're living to die

Is this really all we have  
Perversions of our truth  
When it falls I'll be so glad  
To levy the excuse

Get up, just get up  
Step up, just step up  
Shut up, just shut up  
Me against you, against us, against hate
