

## Reminded

### Drowning Pool

Down too long like I was before  
And I've never thought I'd see the day  
Can't be wrong 'cause I know the score  
And I guess there is no other way  
Reminded of you  
Reminded  
There it is all in black and white  
And it looks like that's the way it goes  
Doesn't matter if it's wrong or right  
'Cause by now I'm sure that I know  
Never felt so undecided  
Everything I've ever had has been taken away  
Little boy so scared and frightened  
All of the things that have happened I'm surely to blame  
Accept your fate then you'll be well but the truth is that it n  
ever ends  
You can say that you've been through hell  
But you'll always lose another friend  
Never felt so unimportant  
Everything I've ever said has been taken in vain  
Little girl so scared and frightened  
All of the things that I do are still subject to change
